About the SAS Memorial Foundation

The Foundation was established in December 2002 in honor of Scott A. Shemenski, a lacrosse player, coach and tireless worker for the development of youth lacrosse in Rhode Island.

Today, the Foundation instituted in Shemenski's name and memory extends the efforts started by him nearly two decades ago. Through constant donations and fundraising events, such as memorial golf outings and lacrosse games, the foundation has been able to financially assist countless boys and girls youth, middle school and high school lacrosse programs. The focus of the Foundation is to help stimulate the growth of Rhode Island lacrosse by monetarily assisting in the creation of new programs. The Shemenski Foundation is proud of its work and accomplishments in continuing the legacy of Scott Shemenski and is always striving to advance Rhode Island lacrosse.

The SAS Memorial Foundation is a non-profit charitable organization and all donations are "tax deductible" to the full extent of the law

A great golf course makes the difference between a good game and a memorable one. A championship 18-hole course, designed by Geoffrey Cornish, turns an everyday round of golf into a memorable golfing experience. Cranston Country Club offers the challenge of a championship caliber course, and also has the playability for the leisurely round for any golfers. Rich, green fairways framed by majestic oaks and maples.
